**"The stone the builders rejected has become the corner stone..."**

-MATTHEW 21:42

Jesus was the corner stone and He was rejected by the religious and political leaders of his day, as well as ordinary citizens. Living a stewardship lifestyle may cause you to be "rejected" by others in today's society. For example, saying grace before a meal in a restaurant may attract some strange looks from some. But to others it is sign that God is alive and well!
