

VOLUNTEER FORM

The success of the students at school is in large part due to the involvement of the parents. We are grateful to those parents who share their time and talent with us.

Funds are generated throughout the year through fund raising activities. Parental help throughout the year is requested and expected with these fund-raisers to help St. Clement School to maintain the quality education for which it is noted. We also greatly appreciate the help of parents with the cleaning, repair and maintenance of the school.

This year we are also asking for help with some new committees. We would like for parents to serve, along with staff, on committees for uniforms, Catholic Schools Week and for marketing St. Clement School to the parish and community. If you are able to help us in any of these ways, we ask that you indicate the areas where you would be able to help and return this form.

Please check any areas on the list with which you would be able to assist.
