**"But rather, love your enemies and do good to them,  
and lend without expecting anything back."**  
(Luke 6:35)

Easier said than done, right? But, if we are to imitate Christ, most of us need to practice mercy and compassion more frequently. Start with the little daily annoyances that we experience, the unkind word or hateful glance we receive. Instead of plotting revenge on that person, try saying a quick prayer for that person. Mercy and compassion will put us on the path to holiness.

**PARKING LOT CAPITAL CAMPAIGN**  
 As many of you well know our south parking lot is in need of many repairs. In consultation with the finance committee, we have decided to replace it with a new concrete parking lot. The estimated cost will be about \$200,000.00. Fortunately, we have half of that money already saved up! To make up the difference we are having a capital campaign to raise the remaining \$100,000.00. In the back of the church you will find a "giving tree" similar to the one we use during Advent. There are approximately \$100,000 worth of "ornaments" on the tree. When the ornaments are returned with their donations we will be able to start construction. If you are not able give an amount on an ornament please send your donation in an envelope marked "Parking Lot". Every donation helps! The new concrete will not only cover the existing south parking lot, but will also extend to the parish center and bus barn.  
 Thank you for your generosity!
