"A good tree does not bear rotten fruit, nor does a rotten tree bear good fruit." (Luke 6:43)

Are you using your God-given gifts in the way God intended? Do you compare yourself to others and complain about what you don't have instead of being thankful for what you do have?
God gives each of us unique gifts and a unique plan. Listen to how God is calling you to use your gifts, to bear good fruit, for the glory of His name.

PARKING LOT CAPITAL CAMPAIGN

As many of you well know our south parking lot is in need of many repairs. In consultation with the finance committee, we have decided to replace it with a new concrete parking lot. The estimated cost will be about \$200,000.00. Fortunately, we have half of that money already saved up! In the back of the church you will find a "giving tree" similar to the one we use during Advent. There are approximately \$100,000 worth of "ornaments" on the tree. When the ornaments are returned with their donations we will be able to start construction. If you are not able give an amount on an ornament please send your donation in an envelope marked "Parking Lot". Every donation helps! The new concrete will not only cover the existing south parking lot, but will also extend to the parish center and bus barn. Thank you for your generosity!
