“We know that all things work for good for those who love God, who are called according to his purpose.”

(Romans 8:28)

Do you really trust God? Do you really believe that God will provide all that you need? Faith is a challenge for everyone at times. Putting our trust in God, in everything we do, in good times and in bad, means that God's plan for our lives may be quite different than what we planned. When one door closes, another one opens. Trust in God, His plan is always better.

ELECTRONIC GIVING

We now have an electronic giving so you may tithe to the church.

Please consider picking up a sign up sheet in church, or at the church office. Community State Bank worked very hard to set up a way for donations to be sent electronically from your bank directly to the church bank account. **No third parties and no fees to the parishioner or to the church. It's a win for everyone!**

We hope you consider electronic giving when you are out traveling this summer!!

FYI- If you are using the donation button on the website, we just want to remind you that your offering is actually lower than what you enter after the fee/charges are attached. (For example, if you donate \$50.00, depending on the credit/debit card used, there are fees applied and we receive \$47.74.)

We just want you to be aware that there are fees associated to the transaction depending on which card you choose to use. Thank you so much for your generosity

New to our Parish? Recently Married?

If you have moved here from another parish, recently moved out of your parents home, or are recently married please fill out a registration form.

You will find them at the back of church or email the secretary at:
